# The COUNSELOR and the LAW

## A Guide to Legal and Ethical Practice

FIFTH EDITION

by Anne Marie "Nancy" Wheeler, JD and Burt Bertram, EdD

This book, written by an attorney and a counselor, provides a broad overview of the law and the potential areas of liability that counselors may encounter in their day-to-day practice. This edition is revised in accordance with the 2005 *ACA Code of Ethics* and contains information on current federal and state law to guide counselors in making crucial legal and ethical decisions. Not only do the authors answer questions on how the law affects counseling practice, they also provide concrete answers for counselors trying to act in the best interest of their clients.
